

App Task Force is available for download from [The Google Play](#) and The [Apple App Store](#). The App is free and there is no cost associated to download or use the software.

PLEASE NOTE: THIS APP IS GEO FENCED AND WILL ONLY WORK WITHIN THE BOUNDARIES OF THE MCS D WITH LOCATION SERVICES TURNED ON.

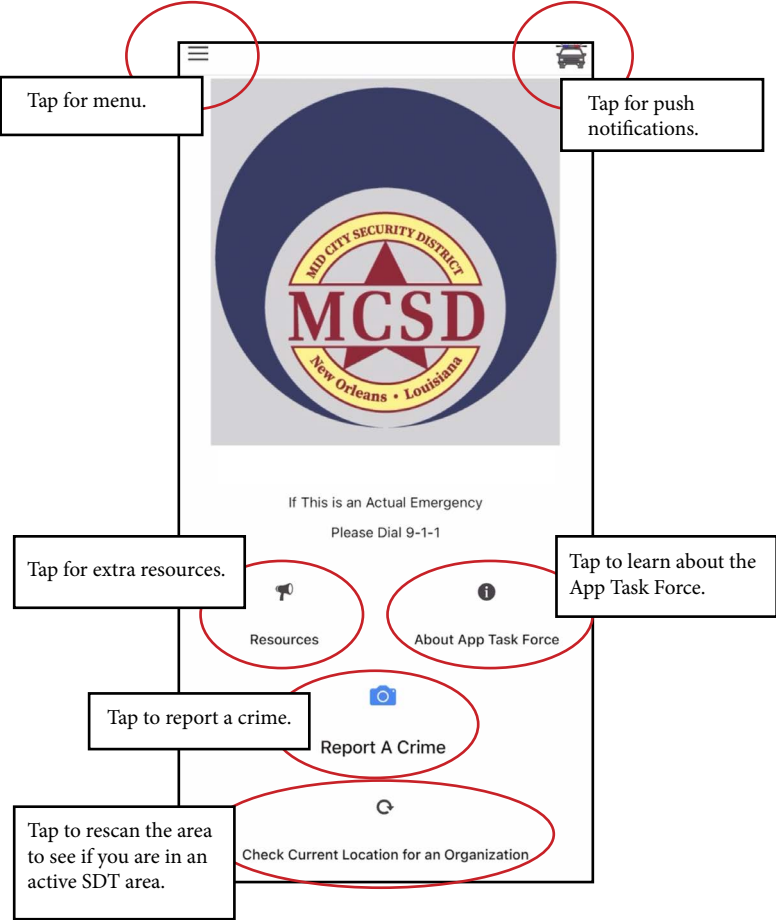

After downloading App Task Force, you will be asked to agree to the terms of service and to activate location services. (The app will NOT work if location services is turned off.)

NOTE: If you are outside the boundaries of the MCS D then you will get this screen:

If the device is physically in the Mid-City Security District, the MCS D App Task Force App will open.

You have the option to become a Registered User. After providing contact information and selecting a password you are ready to use the App. If you want to use the App as a Guest, you can select that option.

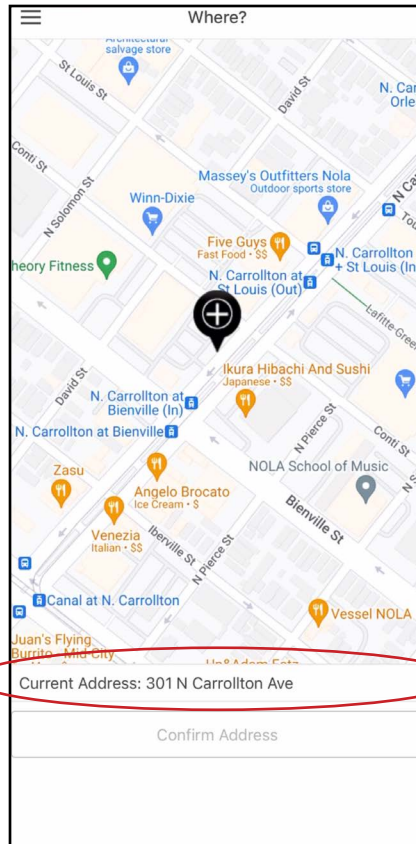

Overview

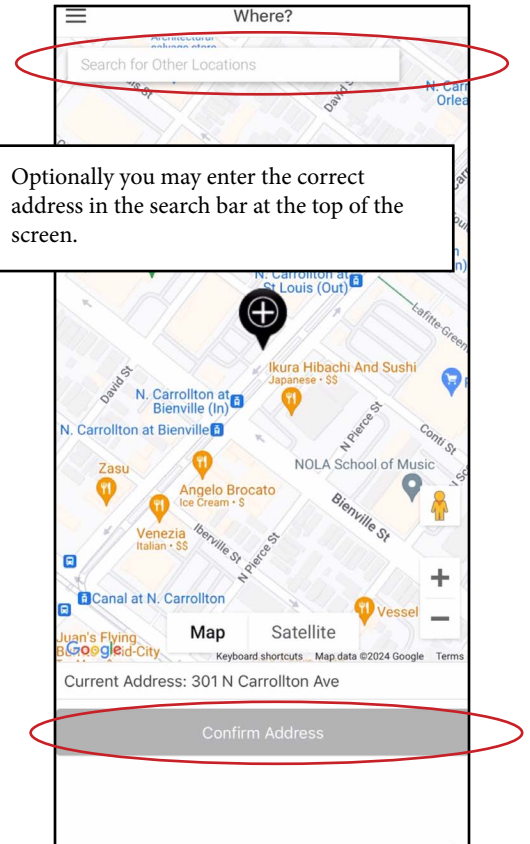

Reporting a crime

Tap the Report A Crime icon.

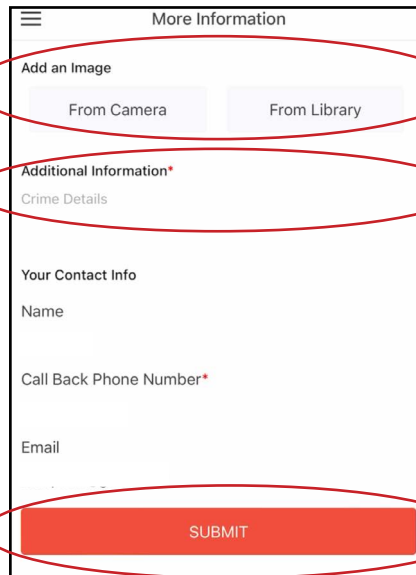

Confirm the address.
If the address is incorrect drag the map around until the address is correct.

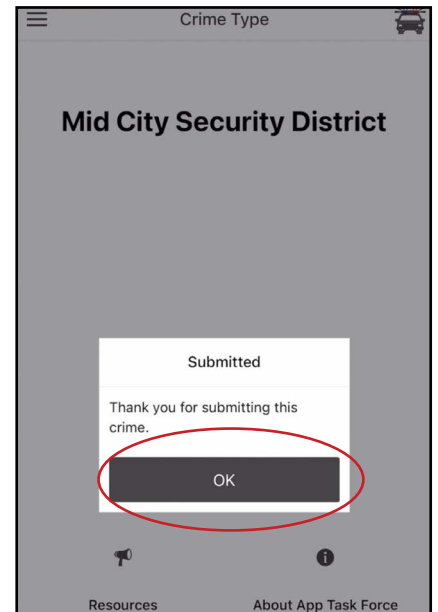

Tap Confirm.

Select the appropriate category of the crime from the list.

You may add an image either from you camera or from your image library. You may also add any Additional Information to help the officers understand the issue. Fill out the contact information. You are required to provide, at the very minimum, a call back number. When you are finished tap the Submit button.

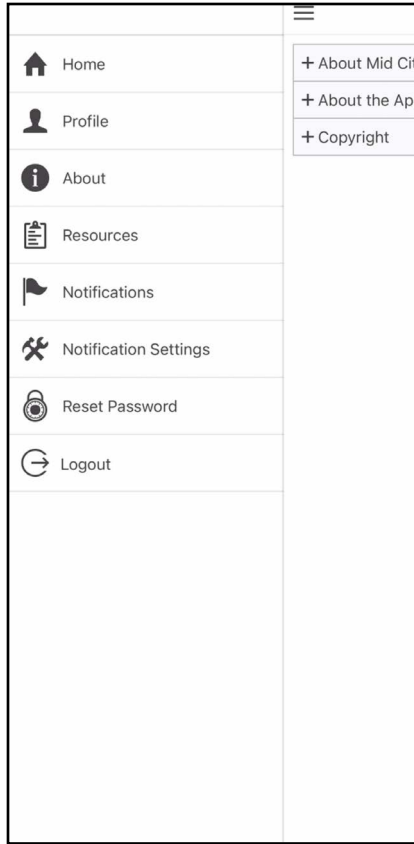

The Screen will dim and a pop up Submitted window will let you know that your crime has been reported. Tap the OK button to get back to the main screen.

Check Current Location for an Organization
